## 1.4. Branch

The screenshot displays the 'Overview' tab of a GitHub repository's branch management interface. At the top, there is a search bar labeled 'Search branches...' and a navigation bar with tabs: 'Overview' (selected), 'Yours', 'Active', 'Stale', 'All branches', and a 'New branch' button. The interface is divided into three main sections: 'Default branch', 'Your branches', and 'Active branches'. The 'Default branch' section shows the 'main' branch as the default, updated 5 hours ago by Chinglew. The 'Your branches' section lists the 'login\_page' branch, updated last month by SuteeSaraphan, with a progress bar showing 20 | 0 and a '#1 Merged' status. The 'Active branches' section lists two branches: 'drive', updated 5 hours ago by Chinglew, with a progress bar showing 5 | 13 and a 'New pull request' button; and 'login\_page', updated last month by SuteeSaraphan, with a progress bar showing 20 | 0 and a '#1 Merged' status. Each branch entry includes a branch icon, the branch name, the last update time and author, a progress bar, and action buttons for merging, editing, and deleting.
