1.4. Branch

The screenshot shows the 'Overview' tab of a GitHub repository's branch management interface. At the top, there is a search bar labeled 'Search branches...' and a navigation bar with tabs: 'Overview' (selected), 'Yours', 'Active', 'Stale', 'All branches', and a green 'New branch' button. Below the navigation bar, the interface is divided into three sections: 'Default branch', 'Your branches', and 'Active branches'. The 'Default branch' section shows the 'main' branch, updated 5 hours ago by Chinglew, with a 'Default' label and an edit icon. The 'Your branches' section shows the 'login_page' branch, updated last month by SuteeSaraphan, with a progress bar showing 20 | 0, a '#1' badge, a 'Merged' status, and edit/delete icons. The 'Active branches' section shows two branches: 'drive', updated 5 hours ago by Chinglew, with a progress bar showing 5 | 13, a 'New pull request' button, and edit/delete icons; and 'login_page', updated last month by SuteeSaraphan, with a progress bar showing 20 | 0, a '#1' badge, a 'Merged' status, and edit/delete icons.
